

A new report has been published in the Employment Programs WebI folder. This report was requested by W-2 agency staff to identify the number of EA applications.

Report Title: EA Report 13: Emergency Assistance Applicant Count

This report lists all processed EA applications (approved, deleted, on hold, and denied). Prompts are available to select application month, emergency type, application status, W-2 agency, county, and region.

Folder location: Employment Programs / Emergency Assistance / EA Report 13: Emergency Assistance Applicant Count

More detailed documentation has been published at DCF / WISDOM / Emergency Assistance / Report Documentation.

This report has been added to the list of WebI report titles and folder locations within the Employment Programs folder, located at DCF/WISDOM/Employment Programs/Resources/WebI Report Names and File Locations for the W-2 Program and Employment Programs Folder Reorganization FINAL.
